OWNERSHIP

BUYING AN EV IS MONEY IN THE BANK.

With the Ola S1 Air, you save up to ₹ 19000* a year.

₹19000

As a petrol scooter owner, you pay approx. ₹4300 in a month including fuel and maintenance cost.

Whereas for an EV, you pay approx. ₹2700 in a month for charging & service cost.

*Savings calculated for 48 months EMI tenure, considering 25 kms per day.
